

West Australian Eight Ball Federation Grading List for Perth League Play

Players with a "T"
next to their name will
play the forthcoming
season on that
grading.

T = Temporary

Players with a "P" next to
their name will play the
forthcoming season on that grading
unless they play in a higher division
than the division that P grading
applies to.

For example if you are 55P and you
play next season in 3rd div, your
grading will remain on 55. But if you
play in 2nd division you will become
a 65T.

If your name is spelt
incorrectly on this list please
text 0408 828 388 with the
incorrect spelling first (so we
can find you) and the correct
spelling second.
